## PRAYER ROCK VINEYARDS

### Who Is Reustle?

Stephen M. Reustle of Reustle-Prayer Rock Vineyards described as the pioneer of U.S. Gruner Veltliner and Star Northwest Winemaker, is a first generation Oregon winemaker specializing in cool-climate varietals attaining world-wide acclaim for his estate grown wines.

### Where is Reustle?

Located in the Heart of Southern Oregon's Umpqua Valley AVA, Reustle-Prayer Rock Vineyard.

### What does Reustle make?

Reustle-Prayer Rock Vineyards produces estate wines from the following Varietals... Gruner Veltliner, Riesling, Sauvignon Blanc, Pinot Gris, Muscat, Rousanne, Chardonnay, Viognier, Pinot Noir, Syrah, Tempranillo, Malbec, Merlot, and Grenache.

### How is Reustle Different?

*"Cool Climate Specialists"*

#### WINEMAKING IDEOLOGY

"We will not grow beyond our ability to handcraft wines of finesse, balance and length. There is no substitute for low yields, careful clonal selection, and viticultural and enological best practices. We are sensitive to high alcohol levels and override fruit flavors, preferring instead to target balanced ripeness and expression of our unique terroir. We make wine we most like to drink at home around the dinner table with family and friends."
