Reustle White Wines

2009 Grüner Veltliner

Surreal . . . ripe, exotic and expressive. Winner of Platinum awards in two leading international wine competitions! This wine is bold, full of grace, bursting with chamomile, peach, pineapple and white pepper aromas. With a firm grip of acidity, it is complex and thick on the palate . . . a silky, almost lanolin component emerges, carrying you through its spicy, mineral never-ending finish.

2009 Riesling

Supercharged! Enchanting tension between roundness and acidity. Full-bodied and weighty, with intense pineapple, apricot and peach aromas and flavors. Subdued sweetness... a concentrated wine with a laser beam of acidity shooting through it. This wine exhibits a racy, jazzy, never-ending finish that goes on and on. A wine built for aging, but beyond compare now.

2009 Grüner Veltliner AWARDS:

Monterey Wine Competition "PLATINUM"
San Diego Int'l Wine Competition "PLATINUM"
Riverside Int'l Wine Competition "SILVER"

Each sip reveals succulent flavors of the good earth... black truffle, mocha & espresso. This wine has a long & complex finish and should age well, rewarding the buyer for years to come.
